

# DRINKS

**Ob Mizi – at the Table** is more than just a restaurant – *it's our family story.*

The name itself means **at the table** in Slovenian, and it captures everything we believe in.

**A meal is never just about food** – *it's about gathering, sharing, and creating memories together.*

So when you visit us at **Ob Mizi – at the Table**, you're not just dining out. You're joining us in something deeply personal: *the way we live, love, and connect.*

**From our family to yours, we can't wait to welcome you at the table.**
